

## Supplementary Survey in English

Number	Question
1	How do you rate the <b>quality of tests</b> (amount, coverage, relevance, effectiveness, regression, etc.)?
2	How was the <b>cooperation / communication with other teams</b> (what is being done, when, why, blockers, merges, problems are being solved collectively, etc.)?
3	How do you rate the <b>product vision of the POs</b> (is it clear what the product should accomplish, POs speak with a unified voice, etc.)?
4	How do you rate the quality of the <b>“Definition of Done”</b> (achievable, recorded, etc.)?
5	How do you rate the quality of the <b>Weekly Scrum meetings</b> (entire team present, problems identified and addressed, etc.)?
6	How do you rate the quality of the <b>Sprint Backlog</b> (burn down chart, frequency of updates, assignment to devs, completeness, etc.)?

Questions of the supplementary survey (S2) in English. Questions could be answered on a scale of German school grades from 1 (“very good”) to 6 (“insufficient”). The lowest passing grade is a 4.
